

**DESPERATE AND NON-PERFORMING MEMBER OF PARLIAMENT FOR  
DAMONGO CONSTITUENCY, ADAM MUTAWAKILU AND NDC EXPOSED**

Good morning Ladies and Gentlemen. I welcome our distinguished friends from the media to the Damongo NPP Headquarters.

Members of the press, we have invited you this morning to expose the desperation of the MP for Damongo, Adam Mutawakilu. As you may have picked up from your investigations as journalists, Mr. Mutawakilu is a big failure as a Member of Parliament. He has been an absentee representative of the people of Damongo. He only started some visits to this constituency because of the threat of losing his seat to the NPP come 2020. He is unable to account or show anything tangible for his share of the Common Fund. He is very un-dynamic and un-resourceful. He is unable to attract development to the Constituency. He is completely out of touch and has failed woefully to live up to expectations as a Member of Parliament.

Ladies and gentlemen, in view of these failures of our MP and the emergence of the God sent and hardworking son of Damongo, Lawyer Abu Jinapor, the MP has become very desperate and has resorted to all kinds of diabolic machinations.

Garlus, has mobilized money for some NDC leaders to organize a press conference today to run down the development oriented Lawyer Abu Jinapor. The NPP in Damongo has come across intelligence exposing the plan of Garlus to get the leadership of the NDC in the Savannah Region to hold a press conference at 11am today with the sole purpose of insulting the Man of Action, Lawyer Abu Jinapor.

Ladies and gentlemen, this upcoming NDC press conference is intended to accuse Lawyer Abu Jinapor and the NPP of branding Damongo Secondary School with NPP colours. They will also lie that the school authorities denied Former President Mahama access to DASS assemble hall during his recent visit to the Savannah region.

Firstly, it is absolutely misleading to suggest that the NPP is the first political party to hold a political event at DASS. This is untrue. Indeed, the NDC has in recent times held various political events at DASS assemble hall. Just about three (3) months ago, the NDC in Damongo held their Constituency Executive Elections at DASS Assemble Hall. At the conference, NDC paraphernalia, posters of contestants and NDC colours were splashed all over the school. The hypocrite that Garlus is, he never found it necessary to organize a press conference about NDC colours being displayed in Secondary Schools. It will interest you to note that on each occasion NDC held a program at DASS, they branded the school with their party colors and paraphernalia. As recently as a month ago, the NDC held it's Salaga South parliamentary primaries in Salaga Secondary School (SASS), where they branded all the walls with NDC paraphernalia. As a matter of fact and contrary to the falsehood of the NDC, the NPP has not painted the walls of DASS. We invite you to visit DASS now and you will find that what is used in DASS are NPP paraphernalia.

Secondly, we call on members of the media to check with the authorities of DASS and it will be clear to you that President Mahama was not denied access to DASS. That is another blatant lie by the desperate NDC. For reasons of curbing what transpired at Garu in the Upper East region, the school management of Damongo secondary school contacted the NDC secretary Mr Alhassan for assurance that, similar occurrences won't be repeated at DASS. And because the NDC is noted to be a party does not usually follow rules, they were compelled to change the

venue Mahama guest house. However it is interesting for the public to note that the school's furniture was made available to them for use at Mahama guest house.

The lies and propaganda of Garlus and the NDC must stop. They began with falsehood about NPP branding road sign post. This was exposed with pictures of Garlus and NDC on road sign post. When this propaganda failed, they started defacing and destroying the posters of masagbane Jinapor. When our youth began to patrol the streets of Damongo day and night, then they moved to this new falsehood.

Ladies and gentlemen, about a month ago, the NDC organised their conference in Damongo. Garlus was the winner at that conference. The NPP did not interfere with their conference. We never accused them of anything or seek to disrupt their conference. We actually issued a public statement to wish them well. They should allow us to have our conference in peace and quite.

Ladies and gentlemen, the NDC has resorted to the politics of lies, misrepresentations and insults due to his non-performing record and desperation.

We in the NPP are ready to expose his lies and propaganda. Our conference to acclaim and confirm our Parliamentary Candidate, visionary Lawyer Abu Jinapor is fully on course. It will come off on Saturday, 28th September, 2019, at the DASS Assembly Hall.

We call on the good and decent people of Damongo to call the NDC to order. They should kindly prevail upon them to be decent and play by the rules. Garlus and the NDC should compete on development, progress, ideas and not on lies and propaganda.

God willing, nothing will change it. God willing, it will be massive. God willing, it will be a big success. God willing, Man of development, Lawyer Abu Jinapor will be confirmed to lead the great NPP in Damongo. God willing, NPP is marching unto victory in Damongo and Ghana.

God bless Lawyer Abu Jinapor
